LUNCH

ESTABLISHMENT OF A QUORUM AND CALL TO ORDER

- Chairman Dwayne Coley called the meeting to order and a quorum was confirmed at 12:25 pm.

ADDITIONS TO THE AGENDA

- None

APPROVAL OF MINUTES – APRIL 19, 2018

- A motion was presented from David Gray and seconded by Tammie Connor to approve the 4/19/2018 minutes as distributed via email and at the meeting. Motion passed.

OLD BUSINESS

A. TCGIS Mapping Website Update

Shawn Anderson presented the website statistic report. There is a new layout which hopefully shows the usage better over time. GeoJobe has released a BETA version of our new PSA for review: <http://tiptontn.geopowered.com/psa2.0/>. It will look a little different but still have the feel of the old site. Biggest thing is the mobile design. Once we work out the bugs it will be published sometime in August.

B. GIS Budget 2018-2019

Shawn Anderson has not received any updates from Mr Huffman, WT Bailey or the Finance Committee on the GIS Budget 2018-2019. Our hope is to have money for a new aerial 2019 flyover along with funds to help out with the LiDAR State of TN project. The County budget will be approved at the July 23, 2018 Legislative Body meeting.

NEW BUSINESS

A. ArcGIS Desktop Training Class

Shawn Anderson asked the Board if we wanted to have an ArcGIS Desktop Training Class like previous years. The Board agreed it was a good idea and it will be held in September. The class will probably be a mix of ArcGIS Desktop and ArcGIS Pro. If there is time left we might look at SARTopo as well.

B. TCGIS Dues 2018-2019

All dues have been paid for the 2017-2018 budget year with Poplar Grove Utility coming in last and regaining their trophy. New invoices will go out sometime in August.

C. MAGIC Conference | November 1-2, 2018 | Memphis Botanic Garden

Shawn Anderson announced the upcoming MAGIC Conference. Registration is now open for \$35 before August 31. From 9/1 to 10/15 it is \$75. Late and day of event is \$120. Student membership is \$15. He encouraged everyone to attend if they have the opportunity.

BOARD MEMBER UPDATES

- Shawn Anderson asked Blaine Hazlerig for an update on their new Trimble GPS collection device.
- Shawn Anderson asked David Gray for an update on the new GIS/IT position for the City of Covington.
- Shawn Anderson sent out an email from the University of Memphis offering 3 Summer GIS classes for August. If anyone is interested contact Shawn Anderson for more information.
- For those who are using ArcGIS Pro, ESRI has released version 2.2. This new version of ArcGIS Pro has more functionality and improves the gap between ArcGIS Desktop, so why are you NOT using ArcGIS Pro.

OTHER BUSINESS

- None

ADJOURNMENT

- A motion was presented from Mike Brewer and seconded by Daniel Lovett to close the meeting at 12:48pm. Motion passed.
