

# The Tipton County Museum Membership

The Museum houses changing historical exhibits featuring artifacts from Tipton County's rich heritage.

Becoming an annual member of the Tipton County Museum, Veterans Memorial & Nature Center will give you the opportunity to be a part of a one-of-a-kind facility. The Tipton County Museum

is one of the first facilities in the country to bring together military history, environmental education, and historical preservation. There are many benefits to joining, but the most important is that you are helping to support the Museum's role as caretaker of Tipton County's rich cultural history. As an annual Museum member, you are assisting in maintaining one of Tipton County's greatest assets - The Tipton County Museum, Veterans Memorial & Nature Center.

**DID YOU KNOW** that your membership contribution helps fund exhibits, educational programs and events that allow us to share the extraordinary story of Tipton County citizens who have served and are now serving in our country's Armed Services?

Thank you for helping to preserve their legacy.
